

Vermont Community Development Program - §106 Preliminary Review Form

Vermont Division for Historic Preservation

Community Development Block Grant (CDBG) funding originates from the Federal Department of Housing and Urban Development (HUD). Section 106 of the National Historic Preservation Act of 1966 (NHPA) requires that federal agencies take into account the effect of their projects on any historic property that is listed or eligible for listing in the National Register of Historic Places (NR) or may contain scientific, historical or archeological data. If a project involves a building more than fifty years old and/or requires ground disturbance, the project plans must be reviewed prior to starting the project. An existing programmatic agreement among the Vermont State Historic Preservation Officer (SHPO), Vermont Agency of Commerce & Community Development (ACCD) and the Advisory Council on Historic Preservation (ACHP) for the administration of the Vermont Community Development Program (VCDP) requires the applicant who is seeking funding to hire a qualified historic preservation consultant and/or a qualified archaeological consultant to satisfy the U.S. Department of Housing & Urban Development's (HUD) Section 106 responsibilities. Applicants are encouraged to contact the SHPO to identify historic structures and the potential to impact archaeological resources early in the planning process in order to avoid any unnecessary project delays. To start the review process, please complete this form and mail it, along with the information requested below, to the Division for Historic Preservation. For questions on the historic preservation review process, or historic structures and above-ground resources, please contact Jamie Duggan at (802) 828-3045 or james.duggan@state.vt.us. For questions related to archeology and below-ground resources, please contact Scott Dillon at (802) 828-3048 or scott.dillon@state.vt.us

INFORMATION NEEDED:

1. Applicant Contact information
 - a. Name: **Paul G. Kowalski**
 - b. Organization: **Springfield Regional Development Corp.**
 - c. Email address: **pkowalski@springfielddevelopment.org**
 - d. Phone number: **802-885-3061**
2. Please provide a short description of the project: *American Precision Museum in Windsor had just completed its Outdoor Interpretive Area (tiered patio) between the museum building and adjacent Mill Brook when Irene struck and wiped it out. They are undertaking an impressive project to repair the outside patio, which includes repairs to a retaining wall on the bank of the Mill Brook. They are presently in the fundraising and permitting phase of the project, of which their DR2 award is only a portion. The AMP has a page on their website dedicated to their Irene Recovery Project, with photographs and details: <http://www.americanprecision.org/about/irene-recovery>. The museum building itself is not part of the project... just the restoration of the Outdoor Interpretive Area aka patio.*
3. Project information
 - a. ☒ Project does involve ground disturbance
 - b. ☒ Building is more than fifty (50) years old
 - c. ☒ Building is listed in the National Register of Historic Places (leave blank if unknown)
 - d. ☒ Property is located in an Historic District or Designated Downtown (leave blank if unknown)

4. Building information

- a. Building name/ property owner: *American Precision Museum aka Robbins & Lawrence Armory*
- b. Physical address: *196 Main Street, Windsor, VT 05089*
- c. Date of original construction/ major alterations: *1846, with renovations since.*
- d. ☐ Project sites are currently unknown (please explain):

5. Please submit photographs of the front façade and side view of the property.

Please submit a project location map and site map that show the proposed ground disturbance if there is any involved with the project.

Please email this form and supporting materials to ACCD.ProjectReview@state.vt.us.

FOR INTERNAL USE ONLY:

No Historic Properties Affected

Historic Properties Affected

Potential for Historic Architectural Properties to be affected – A Qualified Architectural Historian* will be required (**please see* VCDP pre-approved list of consultants)

http://accd.vermont.gov/strong_communities/preservation/resources/consultants_vcdp
